

PASADENA JAPANESE COMMUNITY AWARENESS FORUM

Along with the changing times, the reality of new problems and needs relevant to the community is unquestionable. The Pasadena Japanese Community Awareness Forum will attempt to present an up-to-date perspective of the Pasadena Japanese community.

The program will begin with an explanation of the P.C.C. Asian-American Sociology course and the need for relevant education for Asian-Americans. Pasadena Asian Concern will then present a skit concerning youth problems. The highlight of the evening will be the introduction of the Pasadena Pioneer Project, followed by a guest speaker from the Los Angeles Pioneer Project. Pioneer Project is a program which deals with the needs of the Issei. The forum will end with Asian-American films.

The Pasadena Japanese Community Awareness Forum will be held on April 30, 7:30 P.M., at the Pasadena Buddhist Church Annex. All interested persons are welcome to attend.
